PEONIES

Ready About April 1.

The Peony ranks among the most popular flowers. The blooms come out very early and are seldom attacked by disease. The most popular perennial for your home flower garden. Being perfectly hardy, one planting will do for a lifetime with suitable cultivation. Be careful not to plant too deep; the best is for crown to be about 2 inches below the surface. Ground should be spaded deep and well enriched.

WHITE

Baroness Schroeder. Extra large, flesh-white. One of the finest cut flower varieties.

Festiva Maxima. Beautiful large double white with frilled petals and a bright cherry-red spot in center; strong growth with stiff stem. Queen of the whites. Fragrant.

PINK SHADES

Edulis Superba. Fragrant dark pink. One of the best cut flower varieties.

Mons. Jules Elie. Beautiful silvery pink. One of the largest and most lasting cutting sorts.

RED SHADES

Felix Crousse. One of the grandest, brilliant ruby-red. Rich, solid color; strong grower, medium late. The crimson, clear and brilliant without a trace of purple.

Any of the above: \$1.00 each; by mail \$1.25; 3 for \$2.80; by mail \$3.25.

MERION B-27 BLUE GRASS

This is a new strain of Blue Grass that started from a single plug of turf at the Merion Golf Club in Penn-

sylvania. It makes a dense, dark green turf, spreads rapidly and crowds out weeds because of its vigorous growth. In tests, Merion Blue Grass shows a great advantage over regular Blue Grass in the control of Crab Grass, due to its husky, well-rooted plants, free of disease, with more drought tolerance that fights off Crab Grass plant invasion. Use only one pound for 400 to 500 square feet.

Per lb. \$3.95

ASTORIA BENT

The most popular bent in this area for lawns. Spreads by underground root-stalks and forms a beautiful turf. Thrives on stiff soils and withstands drouth better than the true creeping bents. Excellent for putting greens. Sow 1 lb. to 250 sq. ft. (25x10 ft.).

In bulk taken from large sealed bags.

It's Easy to have a beautiful lawn with a Gates Underground Sprinkler System

No more dragging hose around, setting and resetting sprinklers, getting wet.

Just turning a few valves waters your entire lawn—faster, **better** than you could do standing right there with a hand sprinkler.

***New Materials and Methods Speed
Installation — Cut Costs in Half***

Gates Underground Sprinkler System is made of tough, flexible polyethylene. This amazing material is used widely in industry and is ideal for an underground sprinkler system because it . . .

- . . . is not damaged by freezing
- . . . will not rust or corrode
- . . . does not damage lawn when installed
- . . . lasts indefinitely
- . . . cost much less to install than a metal system

**PAYMENTS AS LOW
AS \$5.00 MONTHLY**

Call KE 4-1351 for a free estimate on a complete installation

No obligation, of course. All work and parts fully guaranteed.

If you prefer, you can install a Gates Underground Sprinkler System yourself. Installation Guide and engineering help furnished without cost.
